**New York City, Thursday February 5, 2015** –The Viscusi Group, the premiere provider of executive search in the interior furnishings industry worldwide, today announced that Suzanne Tron has joined the firm as Vice President, Residential, and Luxury Home & Architectural Building Products

Tron comes to The Viscusi Group with a unique background including leadership roles in the Architecture and Design media sector and executive search. Most recently, Tron was Executive Publisher of Metropolis magazine, where she was instrumental in reinvigorating the print magazine and expanding the brand's digital and social channels. Prior to this, she was CRO of Architizer, Publisher of Architecture, Architectural Lighting, and I.D. magazines and Vice President, Villeneuve Associates an executive search firm, where she conducted senior level searches, in the tech, design and hospitality markets.

“Suzanne brings a breadth and depth of industry knowledge and long standing relationships with many of the most well respected residential, contract and commercial manufacturers, retailers and distributors” said Stephen Viscusi, CEO.” He added, “Her collaborative work-style, client-focus and keen understanding of the evolving business and talent landscape will be an immediate benefit for existing and new clients.”

“The demand for retained executive search has been consistently growing, particularly on a global scale,” remarked Viscusi “Suzanne’s addition enables us to proactively expand our already significant presence and capabilities. In her role, she will leverage her expertise with clients and focus on key relationships within the residential, luxury home and commercial building product markets, globally.
